The biggest value of aged life insurance leads is building your follow ups...or what we refer to as your database of prospects. A lot of agents determine a good lead source by how many new clients they get immediately. You will get new clients and "one call closes", but the biggest value of aged leads is all the follow ups you're setting.

2. You have lower  
client acquisition cost  
per lead 3. The  
majority of agents who  
buy real time leads  
typically do not bother  
following up with the  
lead after the first  
week, so when you call  
on an aged lead you
