Lands End To John O

Land's End to John o' Groats is the traversal of the whole length of the island of Great Britain between two extremities, in the southwest and northeast. The traditional distance by road is 874 miles and takes most cyclists 10 to 14 days; the record for running the route is nine days. Off-road walkers typically walk about 1,200 miles and take two or three months for the expedition. Two much-photographed signposts indicate the traditional distance at each end. Land's End is the traditionally ackn
