Welcome to Wok Out Restaurant

LGBTIQ+ (lesbian, gay, bisexual, transgender, intersex, queer and other terms that people identify with) inclusion is a relatively new component of diversity and inclusion. DCA's study, undertaken with RMIT University, involving conversations we had with over 1600 LGBTIQ+ workers about their experiences, revealed how important it is for Australian organisations to continue to build on that ...

Out at Work: From Prejudice to Pride | Diversity Council ...

As an openly out and proud femme lesbian at work, I slip under the radar of both the straight and gay community and experience 'femme invisibility' and the assumption of heterosexuality.I've experienced the scary moments of starting somewhere new and having to go through the whole process of every employee finding out that I'm gay (of course, the process never ends with inevitable turnover).

Why Coming Out At Work Is Vital For You And Your Employer

Being open at work can be a daunting challenge. But it can also relieve the daily stress of hiding who you are. At the same time, however, no one wants to put their job security or opportunity for advancement in jeopardy. So here are some things to think about as you consider whether or not to come ...

What is the best wok 2020 in Australia? View the top 10 list!

This wok is made from aluminum, so it's lighter in weight than steel woks. It's oven safe to 350 degrees, and it's also dishwasher safe for easy cleaning. A large wok can be a bit difficult to fit into a dishwasher, but this is nonstick inside and out, so it's easy to wash by hand, too.

The 7 Best Woks of 2020

The Mosaic Wok's carbon steel material is the perfect marriage of sturdy construction and lightweight design. This unique material is the preferred choice for professional chefs because it responds to temperature changes extremely fast. This means that the Wok can reach the perfect stir-frying temperature in less than a minute.
