The pictograms of Xmas Font are organized in three groups, each containing more than 60 dingbats. Xmas Essentials consists of the standard symbols relevant to the end of the year season, such as stars, snowflakes, candles, decorated Xmas trees and nutcrackers. Xmas Story provides images suggestive of the New Testament narrative of the birth of Jesus. There is an adorable Baby Jesus, a Mary and Joseph and whole bands of angels and shepherds with corresponding woolly, Holy Land sheep.

Emoji are pictograms that can be used and displayed inline with text. They are similar to previous symbol typefaces, but with a much larger range of characters, such as symbols for common objects, animals, food types, weather and emotions. Originally developed in Japan, they are now commonly installed on many computer and smartphone operating systems.

Typography has an “illustrious” history and is obviously a crucial aspect of graphic design. Sure enough, typeface designers need to have a thorough understanding of typography—especially its evolution over the centuries—in order to incorporate or revive older or even extinct typefaces, depending upon their requirements, and give the letters a modern touch.
