The Anti Politics Machine Development

In a close examination of the attempted implementation of the Thaba-Tseka project in Lesotho, Ferguson shows how such a misguided approach plays out, how, in fact, the "development" apparatus in Lesotho acts as an "anti-politics machine," everywhere whisking political realities out of sight and all the while performing, almost unnoticed, its own pre-eminently political operation of strengthening the state presence in the local region James Ferguson is an associate professor of anthropology ...

The Anti-Politics Machine: Development, Depoliticization ...

The Anti-Politics Machine is a 1994 book by James Ferguson.This book is a critique of the concept of "development" in general, viewed through the lens of failed attempts, specifically the Thaba-Tseka Development Project in Lesotho from 1975-1984. He writes about the countless "development agencies" that have their hand in the so-called "Third World" but points out the consistent failure of ...

The Anti-Politics Machine - Wikipedia

In The Anti-Politics Machine, James Ferguson examines the failure of the Thaba-Tseka rehabilitation project in the seventies to demonstrate that development institutions create their own discourse and perspectives that are counterproductive to their goal of aiding the country in question.

The Anti-Politics Machine: 'Development', Depoliticization ...

The Anti-Politics Machine: "Development," Depoliticization, and Bureaucratic Power in Lesotho. by James Ferguson. 4.27 · Rating details · 514 ratings · 30 reviews. Development, it is generally assumed, is good and necessary, and in its name the West has intervened, implementing all manner of projects in the impoverished regions of the world.

The Anti-Politics Machine: "Development," Depoliticization ...

The Anti-Politics Machine is a critique of contemporary political socialization by American anthropologist James Ferguson. It focuses mainly on the general term "development" that has been taken up frequently in economics, sociology, and other fields, arguing that it is less a rigorous concept than a political linguistic mechanism which frames as inevitable and ideal the world's existing hegemonic powers and their selfish goals.

In a close examination of the attempted implementation of the Thaba-Tseka project in Lesotho, Ferguson shows how such a misguided approach plays out, how, in fact, the "development" apparatus in Lesotho acts as an "anti-politics machine," everywhere whisking political realities out of sight and all the while performing, almost unnoticed, its own pre-eminently political operation of strengthening the state presence in the local region.

The Anti-Politics Machine: Development, Depoliticization ...

The Anti-Politics Machine is an acutely critical, highly imaginative excursion into the world of 'development.' It succeeds splendidly in unmasking the ideological scaffolding of that world, in revealing its unspoken axioms and taken-for-granted forms. Although focused on Lesotho, the study has almost universal resonances.

Book Review: The anti-politics machine: 'development' ...

January 11, 2017. Thanks for the throw-back! The Anti-Politics Machine was the most impactful book I read in my 4 years as an anthropology student at the University of Cape Town (and I graduated 1992, so it's not a 1994 publication, it's 1990).

Is the Anti-Politics machine still a good critique of the ...

Lohmann, L., & Ferguson, J. (1994). The Anti-Politics Machine: "Development," Depoliticization, and Bureaucratic Power in Lesotho. The Ecologist, 24(5), 176-181. This essay by James Ferguson and Larry Lohmann looks at the success of development in developing areas by first world nations. He argues that economic development is achieved through political endeavors and that bureaucratic powers look to increase their influence in other countries with low economic resources by promising aid ...
